 Name the new folder User Share Folder. You will also create a new folder inside "User Share Folder" called "Profiles"

User Share Folder	ľ2	2/2/2018 12:17 PM	File folder
Profiles		2/2/2018 12:21 PM	File folder

• Then right click on it and select properties

 Then click on "Advanced Sharing" and then checkmark the box to "Share this folder"
